

Proposal for Special Session to TAAI 2007

Intelligence-Based Image Analysis

I am organizing a special session on **Intelligence-Based Image Analysis** for TAAI 2007, which will be held in National Yunlin University of Science and Technology, Douliou, Yunlin, Taiwan, Nov. 16-17, 2007. It brings together researchers working across this field to share their experience and discuss advanced techniques. Topics of interest include, but are not limited to:

1. Face detection and recognition
2. Color analysis
3. Medical Image analysis
4. Car plate recognition
5. Iris analysis and recognition
6. Vision-based surveillance
7. Scene analysis
8. Biometric Identification
9. Other applications
